

## MEDIA RELEASE - KYLE ARMOUR

The Lakeside Lightning have welcomed back Kyle Armour for the inaugural 2021 NBL 1 West Season.

We are excited to have Kyle as part of our community here at lakeside this coming season. Kyle brings a wealth of knowledge and leadership from the past 15 years in the SBL, as well as stints in the NBL and AIS.

Kyle showed the exceptional level of basketball he is still capable of during

his 2019 season here with the Lakeside Lightning and he continues to be a valuable asset to our program both on and off the court. The 183cm Point Guard averaged 13 ppg and 5 assists in the 2019 season before a knee injury in the Semi Finals forced him to miss the 2020 West Coast Classic Season. Kyle is a talented guard who reads the game exceptionally well, a natural on court leader who brings a competitive edge, scoring power and disciplined hustle to the Lightning team.

When re-signing with the Lightning, Kyle Armour spoke about the upcoming season saying, "It was very simple for me when making the decision to stay at Lakeside. The three factors which made it a 'no brainer' for me were; Coach Dave Daniels, the team who are my close mates and the culture at the club. I am excited to build on what was a successful 2019 season".

Head Coach of the Lakeside Lightning Dave Daniels is looking forward to having Kyle Armour on court again for the 2021 season saying,

"I feel very blessed to have Kyle back this season. I'm very proud of his resilience and the hard work he's put in to get himself back to a high level. He brings so much to the table, his ability to score, make plays for others and his toughness defensively is unmatched. It has truly been blessing coaching him and I'm looking forward to great years ahead."
