

Beyond the Gate is the cross cultural missions and social justice arm of Lakeside Baptist Church. Our ministry beyond our gates is in response to Jesus' command to "Go and make disciples of all the nations" as well as the Bible's teaching regarding the poor and marginalized, "let justice roll on like a river".

Beyond the Gate's strategic goal is to *"actively partner with people and agencies joined in God's global mission and become increasingly involved in championing justice."*

One way we do this is by our annual BTG appeal where we specifically give to individuals and agencies involved in both mission and social justice. **This year's annual giving day will be on Sunday 28th May.** You can either give on that day or make a promise that you will give either as a lump sum or at intervals. Please be praying in regards to what role God is calling you to play.

David & Carol Allan - Myanmar

David "commutes" to Myanmar where they are involved in a development/social justice program – working with the Baptist Church, communities & the Government. At this stage of their lives, Carol is in Perth. The Allan family attend Lakeside.

Scott & Bek Falconer - Baptist Mission Australia Mozambique

Scott and Rebekah, and their children Levi, Josiah, Katelyn, Eliana, and Isaac love that they get to be part of what God is doing in Mozambique. They have a vision for Yawo families and communities to be transformed as they live out the good news of Jesus.

Ben & Samantha Good - Baptist Mission Australia Mozambique

Ben and Samantha, with their three children Elizabeth, Anna, and Finlay, serve among the Yawo in Mozambique. While life can often be challenging, they feel very fortunate to work there and praise God for the way He is working in people's lives, in families, and among wider communities.

Gunther & Sarah Hoppe - Baptist Mission Australia Malawi

Gunther and Sarah moved to Malawi in February this year to serve among the Yawo. Gunther and Sarah are settling into life in Malawi. They are excited to empower the Yawo to develop their own authentic ways of following Jesus as their Lord and Saviour.

Brandon & Talalelei Beches - Island Breeze

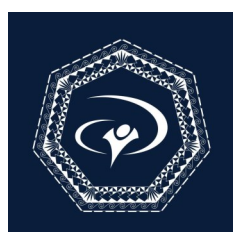

God has placed beauty, art and celebration in every culture. Music, dance and performing arts have the power to bridge cultural divides, touch people's hearts and open doors for the gospel. At Island Breeze, we seek to unlock this potential to spark hope and share the Good News. Through our performances we reach out both locally, regionally and overseas in many contexts.

Healthy Homes in Nepal - Baptist World Aid Church Partnership

Baptist World Aid works together with local Christian Partners in Nepal towards a better world for all. Particularly they promote COVID awareness messages, help children return to school and complete their education, and provide opportunities for earning an income.
